RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement dated July 27, 2006, Applicants hereby provisionally elect to prosecute the Group II claims, namely Claims 41 to 81. The Restriction Requirement is, however, traversed.

I hereby certify that this correspondence is being transmitted via facsimile to the U.S. Patent and Trademark Office at (571) 273-8300, on:

August 28, 2006  
(Date of Transmission)

John D. Magluyan, Reg. No. 56,867

Traversal is on the ground that there would not be undue burden in examining two groups of claims in a single application. In particular, MPEP § 808 makes clear that in order to require restriction between independent or distinct inventions, reasons for insisting upon a restriction requirement, such as undue burden, must also be shown. In the present instance, it is not believed that there would be an undue burden in examining the claims of Groups I and II in a single application, since the two groups of claims are not so different as would require a burden on the Examiner that is significantly beyond that of the normal burdens of examination.

Accordingly, reconsideration and withdrawal of the Restriction Requirement are respectfully requested.

Regarding a formal matter, it is respectfully requested for the Examiner to indicate that the art cited in the Information Disclosure Statement dated December 18, 2003 has been considered.

In addition, it is respectfully requested for the Examiner to acknowledge receipt of the United Kingdom priority application filed in this case on October 29, 2003.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

  
John D. Magluyan
